MOSHE JUSTMAN

CURRICULUM VITAE AND LIST OF PUBLICATIONS
MARCH 2026

PERSONAL DETAILS:

Date and place of birth: 22 September 1948, New York, NY.

EDUCATION

B.Sc. 1969-1972, Hebrew University of Jerusalem, Mathematics and Statistics, with distinction.

M.Sc. 1972-1974, Hebrew University of Jerusalem, Mathematics, with distinction. Advisor: Professor B. Peleg. Thesis: "Iterative Bargaining Games".

Ph.D. 1979-1982, Harvard University, Business Economics. Advisors: R.E. Caves and A.M. Spence. Thesis: "Dynamic Demand Functions: Implications for Industrial Organization." Shaber Fellowship; Doctoral Thesis Fellowship.

EMPLOYMENT

2017-2020	Dean, Faculty of Economics and Business Admin, Ruppin Academic Center
2016-	Professor emeritus, Department of Economics, Ben Gurion University
2001-2016	Professor, Department of Economics, Ben Gurion University
2007-2010	Dean, Faculty of Humanities and Social Sciences, Ben Gurion University
2006-2016	Samuel & Miriam L. Hamburger Chair, Ben Gurion University
2011-2017	Professorial Research Fellow, Melbourne Institute (fractional appointment)
2012-2017	Director, Civil Society Studies, Van Leer Jerusalem Institute
2006, 2011	Director, Program on Economics and Society, Van Leer Jerusalem Institute
1995-2001	Associate Professor, Department of Economics, Ben Gurion University
1990	Ameritech Scholar, Case Western Reserve University, Cleveland, OH.
1989,1991	Visiting Professor of Economics, People's University of China, Beijing.
1988-1989	Visiting Professor of Economics, Carnegie Mellon University, Pittsburgh, PA.
1987-1995	Senior Lecturer, Department of Economics, Ben Gurion University
1982-1987	Lecturer, Department of Economics, Ben Gurion University.
1974-1979	Systems Analyst, Aircraft Manufacturing Division, Israel Aircraft Industries.

ACADEMIC SERVICE AT BEN-GURION UNIVERSITY

2004-10	University Senate
2002-10	University Finance Committee
2002-10	Appointments Committee, Faculty of Humanities and Social Sciences
2005-7	Kreitman Fellows Selection Committee
2004-7	Executive Committee of the University
2006	President Search Committee
1995-97	Chair, Department of Economics
Var. years	Director, Monaster Center for Economic Research

PROFESSIONAL SERVICE OUTSIDE THE UNIVERSITY

2017-	Advisory Group on Evaluation and Strategy, Jewish Agency for Israel
2017-	Chair, Committee on education statistics, Central Bureau of Statistics
2023	Committee on socioeconomic indicators, Ministry of Education
2019-21	Committee on teacher development, Israel Academy of Science
2017-20	Committee on sustainable well-being, Israel Academy of Science
2012-14	President, Israel Economic Association
2011-13	Rothschild Fellows selection committee
2010-13	Steering committee, Israel Academy Initiative on Education Research
2011	Steering committee, Israel Centers of Research Excellence
2011	Steering committee, CHE program on general studies in the humanities
2006-10	Chair, Committee on Education Indicators, Israel Academy of Science
2008-11	Academic Council, Open University
2005-08	Academic Council, Kaye Teachers College
Var. years	Chair, Alon Fellowship in Social Sciences, Council for Higher Education
Var. years	Grants committees, Israel Foundation Trustees anad Israel Science Foundation
2003-07	Evaluation of academic programs, Council for Higher Education
2003-05	Deputy Editor, *Economic Quarterly*
2002-05	Executive Committee, International Joseph A. Schumpeter Society
2000-06	National steering committee, Ministry of Science and Technology
1998-2001	Executive Council, Israel Economics Association
1998, 2000	Preparatory committee, "Caesarea conference" on economic policy
1997	National ad hoc committee on learning disorders

EVALUATION OF ACADEMIC ARTICLES FOR: *American Economic Review, Applied Economics, Bank of Israel Review, Econometrica, Economic Journal, Economic Modeling, Economic Quarterly* (*Riv'on leKalkala*)*, Economica, Economics and Politics, Economics of Innovation and New Technology, Economics of Governance, Education Economics, European Economic Review, European Journal of Political Economy, Fiscal Studies, International Economic Review, International Journal of Game Theory, Journal of Economic Theory, Journal of Public Economic Theory, Journal of the European Economic Association, International Journal of Industrial Organization, International Tax and Public Finance, Israel Studies, Journal of Development Economics, Journal of Econometrics, Journal of Economic Growth, Journal of Environment and Development, Journal of Public Economics, Management Science, Public Choice, Quarterly Journal of Economics, Research Policy, Review of Economic Studies*, *Ricerche Economiche, Regional Science and Urban Economics, Scandinavian Journal of Economics, Zeitsch. für Nationalökonomie, Economics of Education Review.*

EVALUATION OF RESEARCH PROPOSALS FOR: Binational Science Foundation (US-Israel), Falk Institute, European Union Fifth Framework and TSER Programs, German-Israel Fund, Open University, Israel Science Foundation, Jerusalem Institute for Israel Studies, Ministry of Science, National Council for Research and Development, National Science Foundation (US), Sapir Center (TAU).

PROFESSIONAL CONSULTING: Ministry of Education, various topics in the economics of education (2002–); Steering Committee, FIBI Investment Fund (2003-5); Antitrust Litigation (2003); Ministry of Industry and Trade, Manufacturers' Association, technology policy (1984-99); Ministry of Labor, unemployment (1997-8); Ministry of the Interior, Beersheba Municipality, municipal development (1996-7); Ohio Science and Technology Commission, technological infrastructure (1989-90); Israel Fertilizer Institute, fertilizer demand (1984-6).

UNIVERSITY TEACHING EXPERIENCE: Microeconomics (all levels); Economics of Education; Managerial Accounting; Economics of Technological Change and Technology Policy.

RESEARCH STUDENTS:

A. Krentzler, Estimating school value-added. PhD in progress.
H. Stiassnie. Intergenerational mobility and inequality. PhD, 2022.
B. Houng, Three essays on the economics of education. PhD, 2018.
N. Friedman-Sokuler, Impact of high school on access to higher education, PhD, 2017.
Y. Meltzer (Limor), Compulsory schooling and returns to education. PhD, 2014.
A. Krush. Measuring intergenerational income mobility. PhD, 2008.
D. Cohen-Zada. Public and private education. PhD, 2003.
Y. Gilboa. Equity and efficiency of screening policies for higher education. PhD, 2003.

G. Ben Avraham, The effect of crime on housing prices, MA, 2018.
R. Orenbach, Analysis of early admissions programs, MA, 2016.
A. Lubzens. Housing prices and municipal elections. MA 2016.

FUNDED RESEARCH

2012-16	Impact of high school on university access, Rothschild Cesarea Foundation.
2011-16	Empirical analysis of Victoria's education system (at Melbourne University)
2006-8	Compulsory schooling (with M. Gradstein) Israel Science Foundation.
2005-6	Funding higher education (with Y. Gilboa) Neaman Institute and Sapir Forum.
2005-7	Intergenerational Income Mobility (with A Krush) Israel Foundation Trustees.
2000	Local poverty traps (with A. Spivak) Sapir Forum.
1998-99	Structural change in the Israeli economy: 1985-98; Falk Institute.
1998	Unemployment (with A. Spivak) Ministry of Labor.
1996-98	Evaluation of Israel's industrial R&D subsidy program, 1986-94 (with E. Zuscovitch and Michlol Consultancy); Ministry of Industry and Trade.
